Description/Remarks (Include reasons for contract modifications, if applicable, and indicate if extension or renewal option) This Small Business Reserve project is for inspection, maintenance, and repair of compressors at BWI and MTN Airports. On July 23, 2021, MDOT MAA advertised the solicitation on eMMA. On August 19, 2021, MDOT MAA received two bids. All bids came in over the estimated budget for this project. The proposed amendments include, but are not limited to, SBR designation removal, revised bid tabulations sheets, and bid frequencies.
